From Devils Dyke you can amble down to an incredible little pub called The Shepherd and Dog (<http://shepherdanddogpub.co.uk>)

Cuckmere Haven - The most beautiful bit of coast in Sussex with the seven sisters in view. It is worth the hour bus ride (all along the coast) for this walk.

A bus from old stein (12/12A/12X)

BEACH AREA

Personally I wouldn't spend much time on the main drag of Brighton beach.

Either side (East or West are much nicer).
